

Empowering Remote Rural Communities for Climate Resilience

Bringing together **26 organisations from 15 countries**, GRACE works hand-in-hand with communities affected by climate change, empowering them to become actors of transformative change.

Across **five Demonstrator** and **five Replicator** Regions, GRACE co-develops innovative nature-based solutions to drive climate adaptation in remote rural areas in Europe.

Funded by the European Union (grant agreement N° 101214172).
